

Residential Snow and Ice Management

- Our 2017-2018 snowplow service rates covers you from November 15, 2017 – April 1, 2018
- A return trip will be made in the spring to fix excessive lawn damage
- Plowing will begin once 2" has accumulated on the ground, plowing will be completed by 7:00am if we have 2-4" by 12am
- 24 hour a day service
- Shoveling or ice melter is performed after plow only (if selected)
- We may plow multiple times during a 24 hour period
- Driveways will be staked with a special marker to identify the driveway and prevent damage
- Seasonal snowfalls over 40" will result in additional cost per visit (refer to per visit prices below)
- Seasonal pricing does not include: 24 hr storm totals over 8" and will be billed per visit
- During heavy snow storm situations it may take us longer to complete our work

***residential snow services offered in the following zip codes: 43560, 43617, 43528, & Ottawa Hills**
